

AP PSYCHOLOGY SUMMER READING ASSIGNMENT 2016
D. L. MENAKER

The assigned reading is *The Man Who Mistook His Wife for a Hat and Other Clinical Tales* by Oliver Sacks. All students have been given the book with the assignment inside. In addition, the assignment will be posted on our new 2016-17 Haiku page. I will enroll all of you in the class so you can access the site over the summer as well as access a discussion board to share your comments about the book. A dropbox will be provided for your summer reading assignment. You can also contact me at dmenaker@ums-wright.org. Good Luck!
