

Dear Parents of the Class of 2017,

Congratulations, you are almost half way there!

Would you like to honor your soon-to-be-graduate with a Senior Ad in the yearbook? For many years, parents have chosen to place an ad which showcases and highlights special moments in their children's lives. It is a nostalgic trip down memory lane as you sort through pictures, some of which you haven't seen in quite some time. Some parents elect to keep the ad a secret, while others like to make this an opportunity for that often hard-to-find-family togetherness as they look through the photo albums together. You may include a message or let the photos tell the story on their own - the choice is yours.

You may send us actual photos, but please do not send us your only copy of a priceless picture.

PHOTOS WILL NOT BE RETURNED.

Most parents send us the photos scanned at high resolution to a cd. You may design the ad yourself, or let our yearbook staff design the ad for you. The staff recommends no more than 15 pictures for a full page; no more than seven for a half page; two or three for a quarter page.

Please put all photos, cd and/or flash drive and this sheet in an envelope or ziptop bag with student's name on it!

DEADLINE FOR PLACING A SENIOR AD IS FRIDAY, JANUARY 13, 2017.

Please send photos, message and payment all at the same time.

Double page spread (2 facing pages) \$450 **Full page** \$250
