Parents,

Below you will find the 16-17 Freshman Boys League Schedule. Our freshmen team is a developmental team with the intention of further preparing players for the JV and Varsity teams. Many freshmen will have the opportunity to play in JV games this season, and freshman and JV rosters are fluid. High School players are limited to 20 games and 3 tournaments per season, and as such the coaches will communicate playing rosters to the parents and players on a weekly basis.
